## Series 800 Windows, Single Hung Tilt Sash, Vinyl Siding Frame

**NEW!**

### Standard Features

- Strong, durable, no maintenance all vinyl chambered frame never needs painting
- Heat fusion welding bonds the frame and sash corners, preventing water and air infiltration at the joints
- The narrow frame and sash profiles allow a large glass area for maximum exterior view
- Interlocking meeting rails provide a superior sealing system that will keep out wind and water
- Sash tilts inward and can be removed for cleaning from inside the home
- Full 3/4" insulating glass provides optimum thermal performance. Optional Low-E coated glazing available.
- Easy to use mull system allows windows to be joined with each other to create dramatic and interesting combinations
- J-Rail can be added to flush mount windows for lap siding applications
